

**SPRING 2004 Math, Puzzles and Computers**  
**FIRST DAY HANDOUT**  
**UNIQUE # 55620**

**Class:** T-Th 11:00-12:30 RLM 6.104

**Instructor:** F. Rodriguez-Villegas, RLM 9.164. Phone: 1-1137.

**email:** villegas@math.utexas.edu

**url:** <http://www.ma.utexas.edu/users/villegas/S04/puzzles.html>

**Office Hours:** W 9:30-11:00 or by appointment.

**Homework:** There will be a weekly assignment. Selected problems will be graded.

**Tests:** There will be one 50 min, in-class test on Thursday Feb 24.

**Final:** The final will consist of written description plus a 20' in-class presentation of a project. Possible project topics will arise as the class progresses; the work should be connected to all three words of the title of the class.

**Grades:**

- The grade for the course will be determined as follows:  
grade = Test (30%) + Homework (30%) + Final (40%)
- Cut-off scores: 90 for an A, 75 for a B, 60 for a C, and 45 for a D.
