

SPRING 2007 Math, Puzzles and Computers
TC 310 FIRST DAY HANDOUT
UNIQUE # 43360

Class: T-Th 11:00-12:30 RLM 5.112

Instructor: F. Rodriguez-Villegas, RLM 9.164. Phone: 1-1137.

email: villegas@math.utexas.edu

url: <http://www.ma.utexas.edu/users/villegas/S07/>

Office Hours: T 10:0-11:00 or by appointment.

Homework: There will be a weekly assignment. Selected problems will be graded.

Tests: There will be one 50 min, in-class test on Tuesday March 6.

Final: The final will consist of written description plus a 20' in-class presentation of a project. Possible project topics will arise as the class progresses; the work should be connected to all three words of the title of the class. Attendance to all presentations is mandatory.

Grades:

- The grade for the course will be determined as follows:
grade = Test (30%) + Homework (30%) + Final (40%)
- Cut-off scores: 90 for an A, 75 for a B, 60 for a C, and 45 for a D.
